○ **Contact Tracing Protocols**

- Now that masks are required of everyone in the building, the "3 feet rule" is in play. We are required to contact those students within 6 feet of a positive person for at least 15 minutes. Unvaccinated individuals determined to be close contacts by that guideline will need to quarantine. Vaccinated individuals determined to be close contacts by that guideline will be required to wear a mask for 14 days.

The following 4 items will not follow the color coding policy:

- All unvaccinated adults (employees and visitors) must wear facial coverings while in our facilities.
- Due to federal regulations for public transportation, face coverings are required on school buses for all students and staff. This policy will continue until the Feds change it. This policy is independent from the other color coded policies.
- Indoor athletic and spectator events and sales will be governed by the IHSAA and other guidance factors.
- At present, there are no mask requirements for outdoor activities regardless of color code.
