When most hear about the 4-H program, they instantly think of the County Fair and farm animals. It is true that the fair is an important part of showcasing what 4-H Members have done throughout the year. What most don't realize, is the importance of the journey that they take getting to the end result that is the County Fair!

I am here to tell you that you don't need to show animals to be a part of the Floyd County 4-H Program and participate in the end of the year celebration that is the Floyd County 4-H Fair. We offer many programs that encourage youth to grow through leadership, friendship, community involvement, skill building and much more!

Floyd County 4-H is an affordable year long program that youth can join a club like Robotics to learn about coding and engineering. They can join the Safe Shooters club to learn patience and discipline or join the Farm Friends Club to learn more about gardening and wildlife! It doesn't matter who you are, there is a club for you!

Dear Students,

One of the responsibilities that I most look forward to as your U.S. Representative is nominating the best and brightest young men and women to our nation's service academies: the United States Military Academy at West Point, the United States Naval Academy, the United States Air Force Academy, and the United States Merchant Marine Academy.

If you are a highly motivated, well-rounded, successful student who is looking for a way to serve your country, I strongly encourage you to learn more about the service academies. Each academy presents unique opportunities to develop personally, physically, and intellectually while building a foundation for a rewarding career as a military officer. I am pleased to do my part to ensure that Indiana continues to provide the very best of the next generation of outstanding military leaders.

If you are interested in learning more about these academies or the United States Coast Guard Academy, which does not require a Congressional nomination, I encourage you to attend the 9th District's **U.S. Service Academy Day on Saturday, September 10th at 10:00 a.m.** This will take place in the auditorium lobby of Seymour High School. At this event, which is open to students of all ages, you will be provided information regarding the service academies' admissions processes, congressional nominations, and you will have the opportunity to meet with service academy representatives.

If you have already decided that you would like to attend a service academy, you can find the application for a nomination on the 9th Congressional District's website at Hollingsworth.house.gov/serviceacademy. **Attending Academy Day is not a requirement for a nomination.**

If you have any questions or would like to request additional information, please call your Jeffersonville Congressional office at 812-288-3999 or email my Service Academy Coordinator at ServiceAcademyCoordinatorIN09@mail.house.gov.

Thank you for your interest in serving our great nation.

Be of good cheer,

Trey Hollingsworth
U.S. Representative, IN-09
