FROM A COACH-

"#energyiseverything Let's take this motto into the playoffs! Watching Nebraska right now (they're 1-2 and just fired their coach on Sunday) 3 and out on D and marched straight down the field and scored on Offense. The energy in the stands is electric! Let's get that energy on and off the field next Thursday. I'm calling on all family and friends of athletes to bring this to the stands. I'll be in touch with the AD to promote this at both schools. FILL THE STANDS! BE LOUD! These boys have worked their butts off for 2 months. Let's give them the support that they need to bring home that trophy! BRING THE ENERGY!! HOW 'BOUT THEM DAWGS?!! #ThisIsOurHouse"

FROM A MOM:

"We need this crowd big, we need it loud! To all our friends and family who have no plans next Monday night (9/26) come out and support our football team in the playoffs at NAHS!!"

When most hear about the 4-H program, they instantly think of the County Fair and farm animals. It is true that the fair is an important part of showcasing what 4-H Members have done throughout the year. What most don't realize, is the importance of the journey that they take getting to the end result that is the County Fair!

I am here to tell you that you don't need to show animals to be a part of the Floyd County 4-H Program and participate in the end of the year celebration that is the Floyd County 4-H Fair. We offer many programs that encourage youth to grow through leadership, friendship, community involvement, skill building and much more!

Floyd County 4-H is an affordable year long program that youth can join a club like Robotics to learn about coding and engineering. They can join the Safe Shooters club to learn patience and discipline or join the Farm Friends Club to learn more about gardening and wildlife! It doesn't matter who you are, there is a club for you!
