Hazelwood Middle School Parents/Guardians and Students

We are very excited to announce that the New Albany Floyd County Middle Schools Athletic Departments has partnered with FinalForms, an online forms and data management service. FinalForms allows you to complete and sign athletic participation forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any update.

Click on the Parent Playbook (below) to get started in FinalForms. If you require any support during the process, scroll to the page bottom and click "Use Support".

We are asking that ALL parents of athletes use FinalForms.

Please register at: https://newalbanyfloyd-in.finalforms.com

and follow the prompts to create your account, create your students and sign your forms.

Thank you for your assistance in streamlining our paperwork processes at New Albany Floyd County Middle Schools.

4-H is a program for everyone!

4-H is not just for farm kids!

When most hear about the 4-H program, they instantly think of the County Fair and farm animals. It is true that the fair is an important part of showcasing what 4-H Members have done throughout the year. What most don't realize, is the importance of the journey that they take getting to the end result that is the County Fair!

I am here to tell you that you don't need to show animals to be a part of the Floyd County 4-H Program and participate in the end of the year celebration that is the Floyd County 4-H Fair. We offer many programs that encourage youth to grow through leadership, friendship, community involvement, skill building and much more!

Floyd County 4-H is an affordable year long program that youth can join a club like Robotics to learn about coding and engineering. They can join the Safe Shooters club to learn patience and discipline or join the Farm Friends Club to learn more about gardening and wildlife! It doesn't matter who you are, there is a club for you!
