NAFC School Corporation Mission Statement

The New Albany-Floyd County School Corporation works together with parents and the community to provide an outstanding education in a safe, nurturing environment where all are challenged to reach their maximum potential as respectful, responsible, contributing members of a diverse society.

STUDENT SCHOOL DAY

School starts at 9:00 a.m. The school day ends at 3:45 p.m. Students are given four minutes for passing from one class location to another. 7th/8th grades are on a seven period bell schedule. The 5th/6th grades are on a two or three-person team, not on a bell schedule. The Pledge of Allegiance and a moment of silence will be observed every day.

GENERAL

BICYCLES

All students who ride bikes to school must keep the bicycles locked throughout the day. All bikes should be in the designated area.

BOOK RENTAL/LOST BOOKS/CHROMEBOOKS

School book fees are mailed in August of each school year. Payment of those fees is due by September 6th. Failure to do so may result in the account being sent to collections. You may apply for assistance during registration. Arrangements may be made to make monthly payments; a signed promissory note is required. If payments are not made or are skipped, you may be sent to collections. Charges incurred for lost/stolen books, Chromebooks, or other school property will be due by the end of the school year, or the account will be sent to collections. There are many options to pay your fees: online with MyPaymentsPlus, over the phone with a credit card, or in person with cash, check, or credit card. Promissory notes should be signed at school.

BUS INFORMATION

Any student riding a bus other than original bus, should drop off bus note with parent signature before school starts then pick up Bus Pass during or after lunch.

CAMERAS

Video surveillance is being utilized on school property.

CHEATING

Cheating is not accepted at Hazelwood and may result in a variety of consequences, including an "F" on the assignment and possibly ISS (In School Suspension), an "F" for the nine (9) weeks and/or ISS, or an "F" for the semester and/or ISS or an out-of-school suspension.

CLASSROOM INTERCOMMUNICATION SYSTEM

All classrooms and activity areas are connected with the general office so that announcements or messages may be delivered to one room at a time, or to all rooms simultaneously. The system permits two-way conversation. Telephones are also available in each classroom for teacher use.

CONDUCT

It is the responsibility of all students to be courteous and obedient in response to reasonable orders from school personnel. **Every student is expected to give his or her name when asked to do so by an adult working for the School Corporation.** Failure to do so may result in a suspension from school.

CORRIDOR LOCKERS

Students are assigned corridor lockers the first day of school. At the beginning of each school year a corridor locker fee is paid. Each student is assigned their own individual locker. Lockers should be kept locked and the combination kept confidential. Students are responsible for their own belongings and making sure their locker is locked after each use. If a problem does arise, see someone in the front office.

Under no circumstances are students to use lockers other than those that have been assigned to them. Writing in or on lockers or using any type of tape on the lockers is not allowed.

COUNSELORS - COUNSELING AND GUIDANCE SERVICES

The Hazelwood Counseling Department has three counselors. Mrs. Muldoon is the 5th/6th grade counselor, Mr. Elder is the 7th grade counselor, and Ms. Yi is the 8th grade counselor.

Hazelwood offers a comprehensive school-counseling program in partnership with the 5th, 6th, 7th and 8th grade, the special education department, parents, and community members. This developmental approach to school counseling focuses on the attainment of student competencies which accommodate the personal-social, educational, and career development needs of all students at each grade level.

The school counseling curriculum is organized around two major areas. The educational and career services program addresses all students' educational planning and career development needs based on age-appropriate and sequential competencies addressing three broad areas:

1. Self-knowledge needed for educational and career decision-making,
2. Educational and occupational exploration, and
3. Career planning.

Program activities are delivered by counselors, teachers, and community members through:

- Individual advisement and placement,
- Classroom activities,
- Advisory programs

DANCE EXPECTATIONS

Each student must have his/her student ID, arrive no later than 30 minutes after the dance has begun, wear appropriate school dress, and dance appropriately. **NO STUDENT WILL BE PERMITTED TO LEAVE PRIOR TO THE END OF THE DANCE UNLESS A PARENT COMES INSIDE TO CHECK THE STUDENT OUT.** Any student that gets in trouble at the dance will not be allowed to attend any other Hazelwood dances.

DRESS CODE

5511 Student Dress and Appearance - Replacement Policy

The School Board believes that student dress and appearance should be respectful and not interfere with the learning environment. This replacement policy begins with the 2022-2023 school year.

The School Board understands that schools may have special days/events where the principal allows restricted items to be worn (e.g., sunglasses on Beach Day).

- d. In school suspension
- e. Out of school suspension

Principals have the authority to develop a school uniform policy, if they follow the following procedure:

The Superintendent has the authority to approve a recommendation by the principal to dissolve the school uniform policy. The Superintendent will communicate his/her decision to the Board. (Approved 5-9-22)

ENTERING THE BUILDING

Starting at 8:40 A.M., students will be allowed to enter the main doors and go directly to their designated area for breakfast. Students should not arrive at school before 8:30 A.M.

FIRE AND DISASTER DRILLS

State law requires all public schools to conduct a specific number of fire and disaster drills in the course of the school year. Each classroom posts a list of directions for each type of drill. All teachers will go over the specific instructions for their room. Follow these directions without fail. **It is essential that silence be maintained** so that directions may be heard. Careful haste (but no running) is encouraged.

FLOWERS, BALLOONS, ETC.

Please do not have flowers and/or balloons delivered to school. Students do not have space to store them and often no way to transport them home.

GRADES

The New Albany-Floyd County School Corporation provides PowerSchool service to all of our secondary schools. Through this, parents can access information about their child's grades, class schedule, and attendance from their computer anytime they have an internet connection. This website is secure and only the parent/guardian can have access to their child's information.

GYM LOCKERS

Students will be assigned a locker with a lock to use while he/she is taking P.E. If the lock is not turned in when the student is finished with P.E., he/she will be charged for the lock. Each student is responsible for his/her own belongings and making sure the locker is secured after each use.

HALL PASSES

This Student Handbook/Planner, signed by a school staff member, must be visible and must be the property of the student carrying it. This Student Handbook/Planner must be in the possession of the student anytime during the school day (except lunch) that the student is moving around the building or grounds. If a staff member asks to see the Student Handbook/Planner, it must be shown without hesitation. Students should not remove the "Hall Pass" sheets from their student handbook.

Students not having a Handbook/Planner will be sent back to class upon the first offense; the second offense may lead to disciplinary action.

HANDBOOK/PLANNER

Each student will be issued a school planner. This planner contains important information for student and parent use, and it is used daily in most classrooms. The replacement cost for the planner is \$10.00.

School Health Services

A school nurse oversees the health services offered at this school. In case of illness or injury, a child will be cared for by the school nurse or a trained member of the school staff. If your child has a health concern, please include this information on your child's health history information or notify the school as soon as possible. This information remains confidential and is shared with school personnel only on an as-needed basis. If emergency medical treatment is necessary, the parents will be contacted. If parents are not available, the child will be taken to the hospital by ambulance at the parents' expense. **Remember, an emergency telephone number where parents can be reached must be on file and is vital in reaching parents in the case of an emergency.**

Admission of Students to Health Office

If students present themselves at the health office and have been injured or are obviously ill, they may be admitted without a pass and will be cared for according to the medical standing orders approved by the medical advisor. All other students who wish to be admitted

to the health office must have a pass from the teacher to whom they are responsible that period. Students who do not feel well may be allowed to remain in the health office for a maximum of thirty minutes. At the end of that time, the school nurse or health aide will determine if returning student to class, phoning a parent/guardian, or referral to a counselor or administrator will best meet the student's health and learning needs. Students should NOT call home from a personal cell phone or general use phone in the school to be excused for illnesses. When a student returns to class from the health office, the original pass will be used with the time of dismissal from health office and nurse or health aide's initials.

Medications at School

1. A "Request for Administration of Medication" form must be signed and dated by the doctor and parent/legal caregiver. This written request must be on file in the school office before the medication, prescription or over the counter, will be administered by the staff. The request must contain the student's name, name of the medication, dosage, and time to be given. The form must be renewed at the beginning of each school year or if the medication changes during the school year.
2. A student may be authorized to possess and self-administer medication for a chronic or acute disease or medical condition if the medication is necessary in an emergency situation. The section of the medication form entitled "Possession and Self-Administration of Emergency Medication Authorization/Approval" must be signed and dated by the doctor and parent/legal caregiver.
3. The medication must be furnished to the school by the parent/legal caregiver on a daily basis. Any exception to this daily dosage requirement must be approved by the principal after consultation with the school nurse. The exception will be limited to a one (1) school week's supply of the medication and must be brought to school by the parent/legal caregiver, or by another arrangement approved in advance by the principal. The medication must come to school meeting the requirements listed in #5 below.
4. All nonprescription medication must be in the original container and be clearly labeled with the child's name.
5. All prescription medication must be in the pharmacy labeled bottle or packaging with the following information:
 - Prescription number
 - Child's name
 - Doctor's name
 - Name of medication
 - Dosage
 - Time to be given.
6. All medication brought to school for administration by staff will be kept in a locked container.
7. School nurses will provide instruction/training as needed to those staff members who dispense medication to students.
8. Non-medicated lip balms and up to 2 cough drops per day (with parent note) is allowed without a doctor's statement.

Illness and Returning to School

Students should not come to school if they are experiencing any of the conditions mentioned below. If at school, students will be sent home from school for the following reasons and require a doctor's statement for readmission:

1. Reddened eye(s) with possible drainage, matting, or discomfort.
2. Recurrent or persistent skin infections – including scabies.
3. Unexplained or undiagnosed rash.
4. Injury involving documented loss of consciousness.
5. Untreated drainage from skin.

Students should not come to school if they are experiencing any of the conditions mentioned below. If at school, students will be sent home from school for the following reasons:

1. Temperature of 100 or over. Students must be fever-free for 24 hours *without the aid of fever-reducing medication such as Tylenol/Ibuprofen* before returning to school.
2. Temperature of 96.5 or lower.
3. Lice (pediculosis) – Students will be sent home if live bugs are found. If a student has nits, he/she may remain at school for the day but should be treated before returning to school. According to New Albany-Floyd County School Board Policy, classroom head checks will not be done.
4. Vomiting. Student must be free of vomiting for 24 hours before returning to school.
5. Diarrhea. Student must be free of diarrhea for 24 hours before returning to school.

Severe Allergies at School

If your child has a potentially life-threatening allergy to food, insect sting, latex, or other allergen, please be sure to have your child's health care provider complete an Allergy Action Plan for your child and provide the school with an EpiPen. A school nurse or other trained school employee may give the EpiPen according to the directions on the Allergy Action Plan.

What if your child has an allergic reaction for the very first time at school and has never been diagnosed with an allergy? New Albany-Floyd County school nurses are prepared to handle these potentially life-threatening allergic reactions as well. If your child experiences a life-threatening allergic reaction at school that involves severe swelling of lip, face, tongue, or throat, severe difficulty swallowing or breathing, or unconsciousness, 911 and a parent will be notified. A school nurse or trained school employee under the direction of a school nurse may use a lifesaving medication called an EpiPen according to orders from the medical advisor. If you do not want your child to receive the life saving measure of medication from an EpiPen, please contact your school's nurse in writing.

Immunizations

A number of immunizations are required by state law for students admitted to public school. Evidence of receiving these immunizations or a letter of medical or religious objection is required before starting school. Your child could be suspended from attending school if the required proof of immunizations or objection is not given to the school.

Meningococcal Disease

Indiana law requires each year that parents/guardians be informed "about meningococcal disease and its vaccine" (IC 20-30-5-18). Meningococcal disease is a dangerous disease that can strike children and youth. The disease can progress rapidly and within hours of the first symptoms, may result in death or permanent disability including loss of hearing, brain damage, and limb amputations.

Symptoms of meningococcal disease often resemble the flu and can include a fever, headache, nausea, and stiff neck, making the disease difficult to diagnose. The bacteria that cause meningococcal diseases are transmitted through air droplets and by direct contact with an infected person. Fortunately, there is an immunization available and the U.S. Centers for Disease Control and prevention recommends routine meningococcal immunizations at 11 to 12 years old (prior to starting 6th grade), with a booster dose at 16 years old (prior to starting 12th grade). The meningococcal vaccine is required for 6th-12th grade students to attend school.

Health and Extracurricular Activities

New Albany-Floyd County Schools offers nursing services during school hours. However, a school nurse or health aide is not in the building after school hours. If your child has a medical condition requiring nursing care or a specialized care plan and intends to participate in any before or after-school activities, sports, or programs, please notify your school nurse. Many agencies/programs use our school buildings for student activities but do not have access to your child's health information or training on how to handle health concerns. Your school nurse can help you know what steps need to be taken to keep your child safe and healthy outside of the normal school day.

LOST AND FOUND

Articles which are found are turned into lost and found in the front office. Inquiries concerning lost property may be made at the office. Lost articles of clothing are kept in a container in the front office. **THE SCHOOL IS NOT RESPONSIBLE FOR ANY LOST OR STOLEN ITEMS.** Any unclaimed items that are in the lost and found bin at the beginning of fall break, winter break, spring break, or at the end of the year will be donated.

MEDIA CENTER

The mission of the Hazelwood library media center is to provide intellectual and physical access to material, encourage a love of reading, integrate information processing skills into a dynamic curriculum, and create an inviting learning center which students use regularly to pursue their academic and personal interests. Located on the first floor, the library media center offers a print collection of over 14,000 titles and 25 periodicals of specific interest to middle school students. Electronic resources are also available to students seeking information for personal and academic purposes. These include databases, and the Internet, which are closely supervised by the media staff.

The automated circulation/catalog system is available throughout the school day until 4:00 p.m. The regular loan period for materials is three weeks with the option to renew. Students who lose an item are charged the replacement cost. Overdue notices are sent to students to keep them informed of obligations.

The library media specialist is proud to offer many programs for students, including book giveaways, Accelerated Reader, Read Across America, silent sustained reading, computer instruction, and the Scholastic Book Fair. Parents are encouraged to visit the library media center and to volunteer.

SCHOOL VISITORS

The New Albany Floyd County Schools will screen all visitors before allowing entry to our buildings. A valid state issued ID, such as a driver's license, **is required to enter our building**, and will be scanned upon your arrival. Our system will print out a badge that visitors will be required to wear during the visit. Our goal is to make sure our schools are secure and that we continue to create a welcoming environment for all of our visitors.

PARENT INVOLVEMENT

The Hazelwood counseling staff wants to encourage all parents and guardians to stay involved in their children's development at Hazelwood. The middle school years are a critical time for all students, and even though your child may want you to be less involved, you need to make every effort to know what is going on. Please call your child's counselor or schedule an appointment if you have any academic, social, or career concerns regarding your child. Working together, we can help make your child's four years at Hazelwood a positive experience.

PASS PROCEDURE

Students are not permitted out of classes without permission of the teacher. Anytime you are out of your assigned room you should have your student planner signed and with you.

PERSONAL PROPERTY

Middle school students are not allowed to operate motorized vehicles (electric or otherwise) on school property. This includes but is not limited to mopeds, motorcycles, motorized bicycles and motorized scooters and skateboards. **Students' personal property may be seized by school staff.** Items which are used to disrupt or interfere with the educational process may be temporarily removed from student possession, and a parent/guardian must come to the office to pick up the item. It could be grounds for suspension/expulsion for a student to take pictures or record individuals by any device that is unrelated to a school activity or educational assignment without permission from the school principal or their designee.

PHYSICAL EDUCATION EXCUSE

If it is for three gym days or less, students wishing to be excused from physical education class should bring a note from their parents or physician to the Health Office BEFORE 9:00 a.m. on the morning they wish to be excused. Students will dress for gym and observe. After the third excuse from physical education for the same illness or injury, a physician's statement will be required stating the illness and how long they are to be excused.

PICK-UP PROCEDURE

For after school events, no parking is allowed on the curb. When picking up students after school please come off Vincennes Street down Locust.

PROHIBITED ITEMS AT SCHOOL

Students are not to have skateboards, rollerblades, or laser lights in school. Students having these devices in their possession are in violation of school policy and are subject to suspension. The above-mentioned items will be taken from the student and the parent/guardian must come to the office to pick up the item.

CELL PHONES: A student may possess a cellular phone or WCD (wireless communication device) provided that during school hours the device remains off. The use of a device's camera functions is prohibited at all times when on school grounds or at a school-sponsored activity. If a phone is found during school hours, it will be confiscated by a school employee and taken to the office. **Students who violate the cell phone rules will be given a warning, then ISS or OSS for continued violations.** If there is any suspicion concerning the violation of other school rules (like cheating, making threats, using or making inappropriate material), the phone may be turned over to law enforcement officials. School officials may also search a WCD if there is reasonable suspicion that there is evidence of a violation of the law or other school rules. Students are personally and solely responsible for the care and security of their WCDs. The school assumes no responsibility for theft, loss, damage, or vandalism to WCDs brought onto its property, or the unauthorized use of such devices. Possession of a WCD by a student is a privilege that may be forfeited by any student who fails to abide by the terms of these guidelines.

or otherwise engages in misuse of this privilege. If a student needs to use a phone during the school day, he/she should get a Phone Pass from the teacher and report to the front office where two phones are available for student use.

Cell phones confiscated during school will be returned at the end of the school unless the device was part of an ongoing investigation.

PTO

The parents of every student are invited to become active members of the PTO. Parents may sign-up during registration. We have one nightly parent meeting each month.

PUBLIC DISPLAY OF AFFECTION

Inappropriate displays of affection on school grounds will be treated as discipline problems. Hugging, kissing, or inappropriate closeness is not acceptable.

RESIDENCY

State law determines this requirement. Students must reside with their parent or legal guardian within the state of Indiana. Transportation must be provided by the parent if the student is not within Hazelwood's boundaries.

SNOW DAYS

In the event that school will not be in session or a delayed schedule will be followed, station WHAS Radio and TV, call letters 840 AM and channel 11, and WNAS, call letters 88.1 FM and Insight cable channel 25 (if on the air) will broadcast the information. Other stations will be notified as soon as possible. Additionally, parents with a valid phone number on file may receive an automated call from the district that informs them of a delay or cancellation.

STUDENT ACCESS TO THE INTERNET

Users are legally bound to the terms and conditions of the Telecommunications Use Agreement. It is assumed that users have read the terms and conditions carefully and understand their significance including the understanding that any violation of these regulations is unethical, may constitute a criminal offense, that accusers' privileges may be revoked and school disciplinary action may be taken as well as appropriate legal action.

If a parent or guardian does not authorize the school to make Internet access available to their student, it is the parent's responsibility to inform the school in writing. Alternate activities of a suitable educational nature not requiring Internet access will be assigned to students whose parents have informed the school not to make Internet access available to their student.

STUDENT ID CARDS

All students should have their picture taken on picture day. Each student will receive an ID card. Also, the ID is **required** for identification to attend dances held at Hazelwood. If ID card is lost a new one can be purchased for \$2.00 in the front office.

STUDENT RECORDS

Parents and/or guardians have access to the cumulative file of their sons or daughters in the presence of a school official.

STUDENT SUPERVISION

Whenever students are in the building, they are to be under the supervision of an adult. Parents are required to pick up students as soon as possible after school events. Any student needing to call for a ride home after school should use the front office phone.

SUICIDE THREATS

Students who indicate through comments, writing, or statements that they are contemplating physical harm to themselves fall under a policy that requires the student to be picked up by a guardian.

TELEPHONE USAGE

Students will not be called out of class to take a telephone call, except in case of an **emergency**. Messages from parent or guardian that cannot wait until school is out will be **delivered** between classes or during 7th period.

VIOLENCE, THREATS, AND VERBAL ABUSE

Student violence directed towards staff or other students will not be tolerated. Threats made to anyone about personal safety or property may result in suspension and/or expulsion from school. Violations of the safety policy will be reported to legal authorities and the student may be arrested. Verbal abuse and offensive language directed towards others is an offense subject to suspension or expulsion. Intimidation and threats directed toward public school employees may be considered a felony under Indiana Code (35-45-2-1).

VISITORS

Other children are not permitted to visit Hazelwood unless they are accompanied by their parents or have been given a visitor's pass. All visitors, including guest speakers and sales representatives, must obtain the visitor pass from the front office when they arrive in the building. All visitors must wear a visitor's pass throughout the school day, indicating that they have been cleared through the office.

ATTENDANCE POLICY

The New Albany Floyd County Consolidated School Corporation requires that students attend each day that school is in session. Each day of school is part of a sequential learning process; therefore, missing even one day without good cause should be avoided.

Reporting Absences to School

Parents are to notify the office of a student's absence by 9:00 a.m. When reporting the absence please use the attendance line (812) 542-3301 and provide complete information as to the student's name and the reason for the absence. Failure to contact the school office with information regarding the student's absence by 9:00 a.m. will result in an unexcused absence.

Physician, dental and counseling appointments should be scheduled after school hours whenever possible. If unavoidable, please notify the office and have the student attend classes both before and after the scheduled appointments. A physician's statement of diagnosis may be required at any point for an absence or extended absence. After ten days absence, a doctor's statement is required each time a student is absent for the remainder of the year. A statement from a license medical professional documenting an absence may allow an unexcused absence to be changed to an excused absence.

If one or more of the following occurs, your student will be sent home: temperature of 100 or higher, vomiting, severe pain in the chest or stomach, fainting, live lice found in hair, and/or injury. Please have two current emergency contacts listed on your student's enrollment form. Please contact the school immediately if this information changes during the year.

Excused Absences

Absences for the following reasons will be considered as *excused absences*:

- Illness that involves fever, vomiting, injuries, or situations when a physician recommends the students be absent from school. The reason is to be reported to the school office by 9:00.
- Death of immediate family member
- Medical or dental appointments which cannot be scheduled outside the school day (a written doctor's statement is to be given to the school office)
- Religious Holidays
- Court-ordered absences
- Other unusual circumstances when approved by the principal and requested in advance of the event.
- Travel for a limited time period involving new educational experiences for a student, which is requested on an infrequent basis by parents or guardian at least one week in advance of the proposed absence. Letters should be submitted to the school principal for approval.

Unexcused Absences

Absences for the following reasons will be considered as unexcused absences:

- “Long weekends” and vacations without prior approval
- Moving days (change of residence)
- Transportation problems
- Medical or dental appointment without a doctor’s written statement
- Appointments for non-essential activities such as haircuts, shopping, etc....
- Extended absences for head lice treatment

Tardy to School

Students who arrive at school after 9:00 are considered tardy. Those who arrive after 9:00 are to report to the office to obtain a pass that will permit them into the classroom. The tardy will be documented in the office.

Excused tardies are those that are verified in writing by a medical professional, counselor, etc....or those that have been approved by the building principal due to extenuating circumstances.

Early Dismissal

Request to release students from school prior to 3:45 creates a disruption to the learning environment. Excused early dismissals are those dismissals that are verified in writing by a medical professional, counselor, etc.... or those dismissals approved by the building principals for extenuative circumstances.

If early dismissal is unavoidable, please follow this procedure:

- Send a note with your child the day of the early dismissal with time child will be picked up
- Parent/guardian **must** come into the office to sign their child out early (you **must** have your ID to sign a student out)

No student will be dismissed from school without a parent/guardian signature.

NEVER LEAVE THE BUILDING WITHOUT SIGNING OUT.

Excessive Absences, Tardies, or Early Dismissals

Once a student obtains unexcused absences, a referral will be submitted to the Department of Child Services per Indiana Code. Referral documentation includes the following:

- Evidence that the school has communicated attendance concerns to the parents
- An academic impact statement including grades and performance concerns
- Attendance records

Anytime a student misses any portion of the school day (early dismissal, tardy, appointments during the day) the student will be marked as tardy for accurate record-keeping. If the period of time exceeds one-half of the student day, the student will be marked half-day absent.

MAKE-UP WORK

It is the responsibility of the student to initiate the request for make-up work. This should be done within a reasonable amount of time after returning from an absence.

PRE-ARRANGED ABSENCES

When a student plans to be absent three or more consecutive days, including family vacation, the parent/guardian should contact the student’s counselor. A “Prearranged Absence” form must be submitted and approved in advance.

TARDINESS

If a student is tardy to school, he or she should sign in with the office before reporting to class. The office will issue a pass which the

student is to show to his or her teacher.

Tardiness to class is handled by the classroom teacher, who may recommend disciplinary action be taken. Excessive tardiness is grounds for suspension from school.

Tardies to school and to class will accumulate and **all** tardies will count toward the discipline policy.

A tardy will now be given on either end of the school day - meaning that it may actually stand for late arrival OR early dismissal. A tardy will also be given for a student that signed out and returned during a school day.

TRUANCY POLICY

Truancy is defined as an absence from one or more classes without the permission of the school and/or guardian. Following the truancy, the principal or her designee will notify the guardian by phone and/or mail of the truancy and the action which is planned. The action will include one or more of the following:

- a. Suspension Alternative Lab (SAL) (in school suspension).
- b. Out-of-school suspension. Notification to guardian by telephone and by mail.

HOMEWORK POLICY

FOR YOUR STUDENT TO BE SUCCESSFUL WITH HOMEWORK, HE/SHE NEEDS THE FOLLOWING:

- **A PLACE TO DO HOMEWORK.** IF POSSIBLE, YOUR CHILD SHOULD DO THE HOMEWORK IN THE SAME PLACE (AN UNCLUTTERED, QUIET SPACE TO STUDY). KEEP PLENTY OF SUPPLIES (SHARPENED PENCILS, ERASERS, PAPER, ETC.) IN CASE IN THIS AREA AND REPLENISH SUPPLIES AT SCHOOL FREQUENTLY.
- **A SCHEDULE FOR COMPLETING HOMEWORK.** SET A HOMEWORK SCHEDULE THAT FITS IN WITH EACH WEEK'S PARTICULAR ACTIVITIES.
- **ENCOURAGEMENT, MOTIVATION, AND PROMPTING.** IT IS NOT A GOOD IDEA TO SIT WITH YOUR CHILD AND DO HOMEWORK WITH HIM/HER. YOUR STUDENT NEEDS TO PRACTICE INDEPENDENTLY AND TO APPLY WHAT HE HAS LEARNED IN CLASS. IF YOUR STUDENT CONSISTENTLY CANNOT COMPLETE HOMEWORK ASSIGNMENT ALONE, PLEASE CONTACT THE CORE TEAM LEADER TEACHER.
- **UNDERSTANDING OF THE KNOWLEDGE.** WHEN YOUR STUDENT IS PRACTICING A SKILL, ASK WHICH STEPS HE/SHE FINDS DIFFICULT AND EASY AND HOW HE/SHE PLANS TO IMPROVE SPEED AND ACCURACY WITH THE SKILL. IF YOUR STUDENT IS WORKING ON A PROJECT, ASK WHAT KNOWLEDGE HE/SHE IS USING TO COMPLETE THE WORK. IF YOUR STUDENT CONSISTENTLY CANNOT ANSWER THESE QUESTIONS, PLEASE CONTACT THE SPECIFIC SUBJECT TEACHER.
- **REASONABLE TIME EXPECTATIONS.** IF YOUR STUDENT SEEMS TO BE SPENDING TOO MUCH TIME EACH NIGHT ON HOMEWORK, PLEASE CONTACT THE SUBJECT TEACHER HE SEEMS TO BE STRUGGLING MOST.
- **A BEDTIME.** WHEN IT IS TIME TO GO TO BED, PLEASE STOP YOUR STUDENT, EVEN IF HE/SHE HAS NOT FINISHED THE HOMEWORK.
- **TIMELINES.** WE EXPECT OUR HAZELWOOD STUDENTS TO COMPLETE HOMEWORK ASSIGNMENTS TO THE BEST OF THEIR ABILITY AND EXPECT EACH ASSIGNMENT TO BE COMPLETED AND TIMELY.
- **ACCOUNTABILITY.** ASK YOUR STUDENT SPECIFIC QUESTIONS ABOUT UPCOMING TESTS AND PERIODICALLY ASK TO SEE COMPLETED ASSIGNMENTS.

NEW ALBANY FLOYD COUNTY HOMEWORK PHILOSOPHY

EDUCATORS AND PARENTS WANT TO ENSURE THE SUCCESS OF ALL STUDENTS. THEREFORE, A CLEAR POLICY FOR ASSIGNING AND COMPLETING HOMEWORK IS IMPORTANT. HOMEWORK GIVES STUDENTS OPPORTUNITIES TO EXTEND CLASSROOM LEARNING AND PRACTICE SKILLS WHILE DEVELOPING SELF-DISCIPLINE AND STUDY HABITS THAT WILL BENEFIT THEM IN SCHOOL AND BEYOND.

STUDENTS, PARENTS, TEACHERS, AND ADMINISTRATORS MUST WORK TOGETHER TO SHARE RESPONSIBILITY FOR STUDENT SUCCESS. HOMEWORK IS A VALUABLE, RELEVANT, AND POSITIVE PART OF THE INSTRUCTIONAL PROGRAM. THE NAFCS SCHOOL CORPORATION ENCOURAGES STUDENTS TO COMPLETE HOMEWORK ASSIGNMENTS AT THE ELEMENTARY, MIDDLE, AND HIGH SCHOOL LEVELS. A RULE OF THUMB FOR HOW MUCH TIME SHOULD BE SPENT ON HOMEWORK PER YEAR OF AGE: 5, 6, AND 7 COULD BE UP TO 2 HOURS AND GRADE 8 COULD BE UP TO 2.5 HOURS.

- School Athletic events and practice take precedent over outside events

Conduct of Athletes: Participation in the athletic programs is a privilege and Athlete's conduct shall be such as not to reflect discredit upon their team, coaches, or school and not to create a disruptive influence on the discipline, order, moral, or educational environment of the school. This expectation shall become effective once the student is enrolled in school. Students who become members of a team or sport and are in violation of this conduct shall be subject to suspension of games/events and possible removal from the team/sport.

NEW ALBANY-FLOYD COUNTY CONSOLIDATED SCHOOL CORPORATION TELECOMMUNICATIONS USE AGREEMENT

INTERNET AND NETWORK ACCEPTABLE USE POLICY

The New Albany-Floyd County Consolidated School Corporation firmly believes that there is a wealth of information and interaction available on the Internet providing valuable resources for our students. With access to computers and people from all over the world through the Internet, it is impossible to control access to all materials found on the Internet, and an industrious user may discover controversial information. Sponsoring teachers will instruct and supervise their students in acceptable use of the Internet and proper Internet etiquette.

The smooth operation of the School Corporation's Wide Area Network (the "Network") and the Internet require proper conduct by users who must adhere to strict guidelines. Access to the Network and Internet through school machines requires responsible, efficient, ethical, and legal utilization of resources. Users violating any of these provisions may be disciplined, and their access to the Network and Internet services terminated and future access denied.

1. Acceptable Use - Internet and Network access must be in support of education and research, and consistent with the educational objectives of this school corporation. You may not access, upload, or download sexually explicit materials. Internet and Network access may not be used for commercial activities.
2. Privileges - The use of the New Albany-Floyd County Consolidated School Corporation's Network and Internet services is a privilege, not a right, and inappropriate use will result in a cancellation of all privileges. Assignments that require Internet access will have a faculty sponsor who will instruct and monitor student activity on the Internet. The sponsor and the Network administrators will deem what is inappropriate use and their decision is final. Parents, faculty sponsors, administration, faculty, or staff may request that further account privileges be denied, revoked or suspended for any violation of this policy.
3. Etiquette - You are required to follow generally accepted rules of Internet and Network etiquette. These include, but are not limited to, the following:
 - A. Be polite. Do not be abusive in your messages to others.

Offensive or vulgar messages, such as messages that contain sexual or racial comments are strictly prohibited, in conformity with the School Corporation's existing policies, rules and regulations governing harassment and discrimination. Illegal activities are strictly forbidden.
 - C. Do not reveal your personal address or phone number, or those of other students or colleagues.

The New Albany-Floyd County Consolidated School Corporation will strive to provide error free, dependable access to the computing resources associated with Network and Internet use. However, this school corporation is not responsible for any damages suffered due to loss of data resulting from delays, non-delivery, mis-deliveries, or service interruptions. Use of any information obtained via the Internet is at your own risk. The New Albany-Floyd County Consolidated School Corporation specifically denies any responsibility for the accuracy or quality of information obtained through these Internet services.
 5. Security - Security on any computer system is a high priority, especially when the system involves many users. If you feel you can identify a security problem on the Network, you must notify a sponsoring teacher or system administrator. Do not demonstrate the problem to other users. Do not use another individual's account without written permission from that individual. Attempts to log on to the Network as a system administrator will result in disciplinary action. Any user identified as a security risk or having a history of problems with other computer systems will be denied access to Network and Internet services.

Vandalism is defined as any malicious attempt to harm or destroy data of another user or other Networks that are connected to The Albany-Floyd County Consolidated School Corporation's Wide Area Network. APPENDIX A

1. It shall be grounds for an immediate ten (10) day suspension pending expulsion for any student to possess, handle, use, and threaten to use, or transmit weapons, firearms, or explosives. Except in instances involving firearms, upon the recommendation of the building principal, first time offenders may be given the option of participating in a Corporation approved counseling program. The cost of such counseling shall be the responsibility of the student and the student's parents or guardians. The School Corporation may consider a reduction in the length of the expulsion upon satisfactory completion of this program. Repeat offenders will not be offered the counseling alternative.
2. A student will be expelled for a full calendar year for knowingly possessing, handling, or transmitting a firearm, as defined by Indiana law, while under the jurisdiction of the School Corporation. Under I.C. 35-47-1-5, a "Firearm" means any weapon that is capable of or designed to or that may readily be converted to expel a projectile by means of an explosion. A student expelled under this provision will not be re-enrolled in the School Corporation until the beginning of the semester following the end of the expulsion. The length of expulsion for possession, handling or transmitting a firearm may be reduced by the Superintendent, if the circumstances warrant such reduction.
3. First time offenders who threaten or commit aggressive acts toward persons or property and who are not in possession of and have not handled, used, threatened to use or transmitted weapons, firearms, or explosives shall be immediately suspended for up to five (5) school days. Such students shall also be required to attend an educational/counseling program offered by the School Corporation.
4. The remainder of this Policy notwithstanding, when a first-time offender has engaged in very violent conduct or has continued to demonstrate aggressive behavior after being told by a school employee to cease and desist (students must be able to immediately demonstrate restraint and self-control). Such student may be suspended for ten (10) school days pending expulsion without being offered the opportunity to participate in the School Corporation's educational/counseling program. Such students may, upon the recommendation of the building principal, be given the option of participating in an approved educational/counseling program outside the School Corporation. The cost of such outside educational/counseling program shall be the responsibility of the student and the student's parents or guardians. The School Corporation may consider a reduction in the length of the expulsion upon satisfactory completion of this program.
5. Second offenders who threaten or commit aggressive acts toward persons or property and who are not in possession of and have

not handled, used, threatened to use or transmitted weapons, firearms, or explosives shall be immediately suspended for ten (10) school days. Such conduct shall also be grounds for expulsion; however, an educational/counseling alternative to expulsion provided by an approved outside agency may be offered by the building principal to the student and his/her parents or guardians. If the educational/counseling alternative is offered and the student and his/her parents enroll within the five (5) school days after the suspension begins and provide the required documentation of such enrollment, the remaining five (5) school days of suspension will be eliminated.

6. Students who threaten or commit aggressive acts on more than two (2) occasions at any level of instruction (elementary, middle or high school) and students who continue to demonstrate aggressive behavior after being told by a school employee to cease and desist (students must be able to immediately demonstrate restraint and self-control) shall be immediately suspended for ten (10) school days pending expulsion. These students may, however, upon the recommendation of the building principal, be offered the opportunity to participate in a Corporation approved outside educational/counseling program. The cost of such program shall be the responsibility of the student and the student's parents or guardians. The School Corporation may consider a reduction in the length of the expulsion upon satisfactory completion of this outside educational/counseling program.
7. If a student's behavior is a criminal act, in addition to school discipline, the school may also press charges (or recommend to the offended party that *they* press charges) against such student via the juvenile justice system.

PREAMBLE

The New Albany-Floyd County Consolidated School Corporation recognizes: (a) that education is a basic citizenship right; (b) that students have full rights of citizenship as delineated in the U.S. Constitution and its amendments; and (c) that citizenship rights must not be abridged, obstructed, or in other ways altered, except in accordance with due process of law.

Just as in our democratic society at large, the foundation and success in public school education depends on the balance of individual rights and individual responsibilities. Certain standards of student conduct are necessary to assure that individuals seeking to express their rights do not at the same time infringe upon the rights of others. Self-discipline, which comes from understanding this balance of rights and responsibilities, is essential in any democracy. The schools believe that self-discipline is promoted not only through instruction about our representative form of government, but also through practicing democracy in the schools, in the home, and throughout the community.

Those enjoying the benefits of citizenship in the school community must also accept the responsibilities of school citizenship. A democratic school must have rules and regulations just as must the larger democratic society. It is the responsibility of students, parents, educators and the community to work to establish rules and regulations which promote the best possible learning environment for all those involved in the educational process. Not only should the school environment provide equal opportunity for all, it should also permit the teaching-learning process to proceed in an orderly manner.

In an effort to create a more democratic school society, the Board of School Trustees of the New Albany-Floyd County Consolidated School Corporation has outlined some of the basic rights and responsibilities which will allow self-disciplined students to better govern themselves within the total school environment. These policy statements made by the Board of School Trustees are summarized below under eight main headings: (I) Basic Rights and Responsibilities of Students, (II) Enforcement of Rules and Regulations, (III) Procedure for Handling Suspensions and Expulsions from School, (IV) School Safety Policy, (V) Driver's License Policy, (VI) School Bus Safety Code, and (VII) Telecommunication.

As set out in Indiana law, I.C. 20-33-8, in all matters relating to the discipline and conduct of students, School Corporation personnel stand in the relation of parents and guardians to the students of the School Corporation. Therefore, School Corporation personnel have the right, subject to Indiana law, to take any disciplinary action necessary to promote student conduct that conforms to an orderly and effective educational system. Students must follow responsible directions of school personnel in all educational settings and refrain from disruptive behavior that interferes with the educational environment.

I. BASIC RIGHTS AND RESPONSIBILITIES OF STUDENTS

1. Freedom of Speech and Assembly

- a.** Students are entitled to express their personal opinions verbally as long as such opinions do not interfere with the freedom of others to express themselves. - b.** Students have the freedom to assemble peacefully. There is an appropriate time and place for the expression of opinions and beliefs. Conducting demonstrations which interfere with the operation of the school or classroom is inappropriate and prohibited. - h. In an effort to promote a drug-free campus and to protect the safety and health of the district's faculty, staff, and students, the district may routinely partner with local law enforcement to conduct random searches of lockers, classrooms, and school parking lots. During those partnerships, the Board has authorized the use of specially trained dogs to locate and detect the presence of weapons and prohibited drugs on school property.

Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The School Corporation makes student accident insurance available through a commercial insurance carrier; the protection and limitations are stated in the policy. Enrollment in this student accident insurance program is voluntary. If parents decide not to enroll in the student accident insurance program, it is the parents' responsibility to provide appropriate insurance, or to assume the risk of possible financial responsibility inherent in having their child participate in any school activities. Individual schools may request that parents provide the name of the company carrying the family's health and accident insurance, in order for school officials to have this information in cases of medical emergency.

The School Corporation will accept the transfer of students who do not have legal settlement with the school corporation according to School Board Policy and Indiana law.

18. Parental Involvement/Visitor/Media

The school welcomes and encourages parental visits to school, parent volunteering, and other parental involvement in their student's education. But in order for the educational program to continue undisturbed when visitors are present and to prevent the intrusion of disruptive persons into the schools, it is necessary to invoke visitor controls.

The Superintendent or principal has the authority to prohibit the entry of any person to a school of this Corporation or to expel any person when there is reason to believe the presence of such person would be detrimental to the good order of the school. If such an individual refuses to leave the school grounds or creates a disturbance, the principal is authorized to request from the local law enforcement agency whatever assistance is required to remove the individual.

Parents will be involved in the planning, review and improvement of the corporation's Title I programs, and timely responses will be given to parental questions, concerns, and recommendations. Information concerning school performance profiles and their child's individual performance will be communicated to parents.

20. Asbestos

An asbestos management plan is on file in the main office and is available for review by the public.

II. ENFORCEMENT OF RULES AND REGULATIONS

When self-discipline fails, regulations for management of school behavior must be enforced by those directly responsible for the operation of the schools. School staff members will make every effort, individually, collectively, and cooperatively, with appropriate available community resources, to help each student gain acceptable self-discipline standards. The Board of School Trustees of the New Albany-Floyd County Consolidated School Corporation has this legal responsibility. Authority for such action is given in the School Powers Act and the Student Due Process Statute, I.C. 20-33-8, et. seq. The Board of School Trustees has established policy in the Policy Manual of the New Albany-Floyd County Consolidated School Corporation and appointed administrative officers to carry out those Policies as amended.

Such reviews shall be conducted by the Superintendent or his/her designee after notice of the review has been given to the student and the student's parent or guardian. The review is limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original expulsion meeting and may lead to a recommendation that the student be reinstated for that semester.
- g.** A principal may require a student who is at least sixteen (16) years of age and who wishes to enroll after an expulsion to attend an alternative program.
- h.** The Board has voted to not hear any appeals on the decision of the Expulsion Examiner.

III. PROCEDURE FOR HANDLING SUSPENSIONS AND EXPULSIONS FROM SCHOOL

The Board of School Trustees of the New Albany-Floyd County Consolidated School Corporation has provided a procedure for the handling of student suspensions and expulsions from school. The basic premise of this policy is fairness. A full text of the procedure required by Indiana Law is available in the Administrative Services Center, 2813 Grant Line Road, New Albany, Indiana 47150, upon request. The following is a summary of that procedure.

1. A principal or designee may suspend a student from school for a period not to exceed ten (10) school days. The principal or designee shall send a written statement to the student's parents describing the student's conduct, misconduct or violation of any rule or standard and the reasons for the action taken. The principal or designee shall make a reasonable effort to hold a conference with the parents before or at the time the student returns to school. A student may be suspended from school pending a meeting on his/her expulsion.
2. If, after an investigation, the principal or designee decides that expulsion is warranted for any student, he/she shall file a written charge with the Superintendent requesting that the student be expelled.

- 3.** If the student has an identified disability and is receiving special education services in the School Corporation, the principal or designee will contact the Director of Student Support Services to schedule a causal relationship case conference at the time he/she submits a written charge to the Superintendent. If the case conference committee determines that no causal relationship exists, under Article 7, the principal or designee may proceed with the expulsion recommendation.
- 4.** When a principal or designee recommends to the Superintendent that a student be expelled from school, the following procedures will be followed:
 - a.** The Superintendent may conduct an expulsion meeting, or may appoint one of the following persons to conduct the expulsion meeting:
 - (1)** A member of the administrative staff who did not recommend that the student be expelled and who was not involved in the events giving rise to that recommendation; or
 - (2)** Legal counsel.
 - b.** The Superintendent or the person appointed to hold the expulsion meeting may continue the suspension of a student for more than the ten (10) school days of the principal's suspension and until the time of the expulsion decision, if he/she determines that the student's continued suspension will prevent or substantially reduce the risk of:
 - (1)** Interference with an educational function or school purpose; or
 - (2)** A physical injury to the student, other students, school employees or visitors to the school.
 - c.** An expulsion will not take place until the student and the student's parent or guardian are offered the opportunity to request an expulsion meeting conducted by the Superintendent or the person designated by the Superintendent.
 - d.** The opportunity to request an expulsion meeting will be in writing, delivered by certified mail or by personal delivery and contain the reasons for the recommended expulsion and the length of expulsion recommended. For purposes of this provision, a notice of opportunity to request an expulsion meeting or notice of the action taken at an expulsion meeting is effectively given at the time the notice is delivered personally or sent by certified mail to a student and the student's parent or guardian.
 - e.** Failure by a student or a student's parent or guardian to request or to appear at an expulsion meeting shall be deemed a waiver of all rights administratively to contest the expulsion.
 - f.** The Superintendent or the person designated to hold an expulsion meeting may issue subpoenas, compel the attendance of witnesses, and administer oaths to persons giving testimony at an expulsion meeting.
 - g.** At the expulsion meeting, the principal or designee will present information to support the charges against the student. The student, parent or guardian will have the opportunity to answer the charges against the student, and to present information to support the student's position.
 - h.** If an expulsion meeting is held, the person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action found to be appropriate and give notice of the action taken to the student and the student's parent or guardian, by certified mail or personal delivery.
 - i.** In accordance with Indiana Code, a student or parent may request an appeal to the Board of School Trustees on the action taken by the expulsion examiner unless the Board of Trustees has voted to not hear any appeals. The NAFC Board of Trustees voted not to hear any appeals. The ruling of the Expulsion Examiner is final.

5. Under Indiana law, judicial review of the Board of School Trustee's action, by the Circuit or Superior Court of Floyd County is limited to the issue of whether the School Corporation acted without following the procedure required by the student due process statute, I.C. 20-33-8 et. seq.

IV. SCHOOL SAFETY POLICY

The New Albany-Floyd County Consolidated School Corporation has adopted proactive safety policy governing students who commit, attempt to commit, or threaten aggressive acts toward persons (students, employees, or visitors) or property. This policy applies when a student is on a school bus, on school grounds, off school grounds at a school activity, function, or event, and while traveling to and from school or a school activity, function, or event. This policy may also apply when a student's conduct is unlawful and may reasonably be considered an interference with school purposes or an educational function, when such conduct occurs during weekends, holidays, school recesses, or during the summer when a student may not be attending classes or other school functions. Students who commit these acts will be suspended and may be expelled for up to one school year or one calendar year, in the case of firearms violations. Students will also be referred to the probation office or the prosecutor's office as required or appropriate. Students who make threats, whether spoken, written, by gesture, or expressed in digital means; and/or students whose behavior gives rise to a reasonable belief that the student is substantially likely to injure the student or others may be the subject to a Threat Assessment by the Corporation.

The school safety policy is implemented at each specific level of instruction (elementary, middle and high), and will not follow the student to the next level of instruction.

1. It shall be grounds for an immediate ten (10) days suspension pending expulsion for any student to possess, handle, use, threaten to use, demonstrate the intent to use or transmit weapons, firearms, or explosives. Except in instances involving firearms, upon the recommendation of the building principal, first-time offenders may be given the option of participating in an approved educational/counseling program outside the school corporation. The cost of such outside educational/counseling program shall be the responsibility of the student and the student's parents or guardians. The School Corporation may consider a reduction in the length of the expulsion upon satisfactory completion of this program.
2. A student will be expelled for a full calendar year for possessing, handling, or transmitting a firearm, as defined by Indiana law, while under the jurisdiction of the school corporation. Under I.C. 35-47-1-5, a "firearm" means any weapon that is capable of expelling or designed to expel or that may readily be converted to expel a projectile by means of an explosion. A student expelled under this provision will not be re-enrolled in the school corporation until the beginning of the semester following the end of the expulsion. The length of expulsion for possession, handling, or transmitting a firearm may be reduced by the Superintendent, if the circumstances warrant such a reduction.
3. First-time offenders who threaten or commit aggressive acts toward persons or property and who are not in possession of and have not handled, used, threatened to use, or transmitted weapons, firearms or explosives shall be immediately suspended for up to five (5) school days. Such students shall also be required to meet with the school counselor upon returning to school.
4. The remainder of this policy notwithstanding, when a first-time offender has engaged in violent conduct or has continued to demonstrate aggressive behavior after being told by a school employee to cease and desist (students must be able to immediately demonstrate restraint and self-control) such student may be suspended for ten (10) school days pending expulsion. The students may, upon the recommendation of the building principal, be given the option of participating in an approved educational/counseling program outside the School Corporation.

The cost of such outside educational/counseling program shall be the responsibility of the student and the student's parents or guardians. The Superintendent may consider a reduction in the length of the expulsion upon satisfactory completion of this program.

5. Second time offenders who threaten or commit aggressive acts toward persons or property and who are not in possession of and have not handled, used, threatened to use or transmitted weapons, firearms or explosives shall be immediately suspended up to ten (10) school days. Such conduct may also be grounds for expulsion; however, an educational/counseling alternative to expulsion provided by an approved outside agency may be offered by the building principal to the student and his/her parents or guardians. If the educational/counseling alternative is offered, required documentation must be presented upon return to school.
 - a. This program will be designed to assist students in successfully managing and resolving conflicts in a nonviolent and non-aggressive manner, so that they may successfully complete school after experiencing the consequences of their violation of this policy.
 - b. If the outside educational/counseling program is chosen by the student and parents or guardians the student must attend all sessions of the program. Any cost for this program will be the responsibility of the student and the student's parents or guardians.
 - c. If the student enrolls in the outside educational/counseling program and then withdraws or otherwise fails to satisfactorily complete the program, the building administrator shall immediately resume the expulsion process for such student.
 - d. If the student or his/her parents or guardians do not choose to participate in the outside educational/counseling program, the building administrator shall immediately resume the expulsion process for such student. Such student may be referred to the Floyd County Probation Office for any appropriate action.
6. Students who threaten or commit aggressive acts on more than two occasions may be immediately suspended for ten (10) school days pending expulsion.
7. If a student's behavior is a criminal act, in addition to school discipline, the school will also notify the proper authorities.

V. DRIVER'S LICENSE POLICY

This Policy, adopted by the Board of School Trustees, is designed to comply with Indiana law I.C. 9-24-2 and 20-33-8, as amended, which amended Indiana driver's license law to invalidate an operator's license or permit and to prohibit the issuance of an operator's license or permit to a student less than eighteen (18) years of age, under the conditions set out in this Policy.

"Cutting Class" refers to a student's absence from an assigned class period during a school day without the knowledge and consent of the student's parent and/or the school; a student is cutting class, unless both the parent and the school approve of the student's absence from class.  - b.** Is a habitual truant; or

- 4.** The opportunity for an expulsion meeting will be offered, when a student is charged with conduct for which expulsion is recommended.
- 5.** A student whose operator’s license or permit has been denied or invalidated under the terms set out above, will become eligible for an operator’s license or permit, or to have such a license or permit revalidated upon one of the following events:

The student’s principal will, at the appropriate time, provide such student the information necessary for the student’s operator’s license or permit to be revalidated by the Indiana Bureau of Motor Vehicles.

7. If a principal has reason to believe that a student is withdrawing from school in order to avoid a second suspension in a school year or an expulsion, the principal may proceed with the suspension or the recommendation for expulsion and notify the Indiana Bureau of Motor Vehicles.
8. If a student less than eighteen (18) years of age withdraws from school before graduating for any other reason than financial hardship, the principal of the student's school will report the student's withdrawal under I.C. 20-33-2-21 and I.C. 20-33-2-11 and the student's operator's license or permit may be invalidated, or the student will not be eligible to receive such a license or permit. When a student seeks to withdraw, the principal will hold an exit interview and will determine the reason for the student's withdrawal. If the principal determines that the reason for withdrawal is not financial hardship, the student and the student's parent will receive a copy of the determination.
9. Nothing contained in this Policy shall limit disciplinary action under the Corporation's attendance policy for any individual instance of truancy or cutting class. The student who has been truant and the parent of such student will be informed of each truancy and the consequences of additional truantries under this Policy.

13. The attendance record of a student who has been found to be a habitual truant shall be reviewed by the principal of the student's school at the end of each school year during which the student is designated a habitual truant.
 - . In reviewing the student's attendance record, the principal will decide whether or not the student's attendance has improved to the degree that the student should no longer be designated a habitual truant and should become eligible to be issued an operator's license or permit upon fulfilling all other requirements for such license or permit, and the principal shall submit a recommendation to the Superintendent on this matter.
 - a. The Superintendent, acting on behalf of the Board of School Trustees, will notify the student and the student's parent of the principal's recommendation and will offer the opportunity for a meeting under the School Corporation's student due process procedures, set out in the Student Guide.
 - b. The Superintendent, acting on behalf of the Board of School Trustees, will inform the student and the student's parents of his/her determination, and if he/she determines that a student is no longer a habitual truant, he/she will submit, to the Indiana Bureau of Motor Vehicles, the pertinent information concerning the student's eligibility to be issued an operator's license or permit.
 - c. The decision of the Superintendent, under subsection C, immediately above, may be appealed in accordance with the School Corporation's student due process procedures, in the Student Guide.
 - d. If a student who has been designated a habitual truant, and who remains ineligible to obtain an operator's license or permit, withdraws from the School Corporation for any reason, the student's former principal in the School Corporation shall have no authority or duty to

conduct a review of such student's attendance record; conversely, if such a student moves or transfers to the School Corporation, or to another school in the School Corporation, the principal of the school in which the student is newly enrolled shall conduct the appropriate review.

- e. A determination that a student is no longer a habitual truant shall not cause the number of trancies to be erased for purposes of considering a charge that a student is a repeat habitual truant under this Policy.
14. For purposes of this Policy, when a student enrolls in the School Corporation and the student's attendance and disciplinary records are obtained from the student's previous school(s), the principal of the newly enrolled student shall treat such records as if the conduct of the student recorded therein had occurred with this School Corporation. Similarly, the principal shall recognize a previous school's designation or determination of truancy and habitual truancy, as well as any suspension or expulsion.

VI. SCHOOL BUS SAFETY CODE

All school children, while being transported on a school bus, shall be under supervision, direction, and control of the school bus driver, and shall be subject to the discipline of the bus driver and the governing body of the School Corporation.

The following rules have been instituted for the safety and comfort of our children and the efficient operation of our bus fleet.

Students must do the following:

7. Students must wear seat belts on buses where they are available.

VII. TELECOMMUNICATION

Student Access to the Internet

Users are legally bound to the terms and conditions of the Telecommunications Use Agreement. It is assumed that users have read the terms and conditions carefully and understand their significance including the understanding that any violation of these regulations is unethical, may constitute a criminal offense, that accessors' privileges may be revoked and school disciplinary action may be taken as well as appropriate legal action.

If a parent or guardian does not authorize the school to make Internet access available to their student, it is the parent's responsibility to inform the school in writing. Alternate activities of a suitable

educational nature not requiring Internet access will be assigned to students whose parents have informed the school not to make Internet access available to their student.

VIII. NEW ALBANY-FLOYD COUNTY CONSOLIDATED SCHOOL CORPORATION TELECOMMUNICATIONS USE AGREEMENT

The New Albany-Floyd County Consolidated School Corporation firmly believes that there is a wealth of information and interaction on the worldwide computer network that will provide valuable resources for our students. With access to computers and people from all over the world through Internet, it is impossible to control access to all materials found on the Internet, and an industrious user may discover controversial information. Sponsoring teachers will instruct and supervise their students in acceptable use of the Internet and proper Internet etiquette.

The smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. Access to the Internet through school machines requires responsible, efficient, ethical, and legal utilization of Internet resources. Users violating any of these provisions may be disciplined, and their access to Network and Internet services terminated and future access denied

Therefore, removal from the extracurricular activities or from the classroom as a disciplinary measure is resorted to only when self-discipline fails.

It is the sincere hope of the Board of School Trustees that this Guide will be helpful to students, parents, and teachers in the effort to promote more democratic schools and continued good relations between students and teachers.
