Final Forms

Scan the QR Code or visit
newalbanyfloyd-in.finalforms.com
to create an account.

**A student will be athletically eligible for the
entire 2023-24 school year if a physical
examination is completed on or after
April 1st, 2023**

How to Register and Manage Your Student Athletes

Our goal is to keep this process as simple as possible for you, the parent.

Unless another parent has already done so, follow these steps:

1. **Add Student** - Fill out some basic information about your student. Your student will be visible to school administrators and you will always be able to see them in this list.
2. **Registration Deadlines**
Add Sports/Activities - If your student is considering participating in a sport, we strongly encourage you to add that sport and complete the sports forms as well just to be safe. (Skip this step if your child is not a student-athlete.)
3. **Update Forms** - Read through and complete the required forms. *(If student signatures are required, your student will automatically be prompted to log in and sign after you complete all forms.)*
4. **Preparticipation Physical Evaluation** - If your child is a student-athlete, please remember to complete your PPE, which consists of printing the **PPE Medical Report** and taking it, with your child, to a doctor for examination. Then upload the physician signed pages of the completed forms to your student's Final Forms account. **DO NOT TURN IN A PAPER COPY TO SCHOOL! Upload the "Physical**

Examination” page ONLY. Everyone trying out for a team must have a completed Preparticipation Physical Evaluation Form.

5. **Pending Admin Approval** - If you see this status, it indicates the Administration is still expecting you to turn in one or more paper forms, common cases are physician-specific forms or that the student is ineligible for some other reason.
